Takseer e Jafar

Takseer e Jafar is a tool that provides easy to use options for creating different types of Takseer. Takseer is a process of Ilm e Jafar used in both Akhbar and Asaar. Whether you are creating a Taweez doing a Takhseer or trying to conclude answer from a Mustehsila e Jafar, this tool will help. Now you can do calculations of hours or days in seconds. Besides doing Takseer it can also be used to calculate sum (Jama) of the Asas (Question / Statement) or of...
